MRS. TEW HEADS LEGION AUXILIARY

About sixty persons attended the meeting Tuesday evening to hear Mrs. Towers, Prov. President of Women's Auxiliary to Canadian Legion and Mrs. Dexter, Pro. Secretary explain the benefits and purpose of this organization.

Very clearly the ladies established the assistance and benefit, such an organization can render in various ways.

An organization was formed and officers elected as following:

President - Mrs. Wm. Tew. First Vice-President - Mrs. Woodliffe. Second Vice-President - Mrs. Boissevain. Sec. - Treasurer - Mrs. Sam Slater. Executive - Mesdames Way, A. Scott, Issard, Weyers, Hinchcliffe, Croy.

Mrs. Towers said there are 600 branches in the Dominion. Alberta having over 60 with a membership of 2,000.

A much appreciated musical programme was rendered, comprising, two solos by Mrs. Brown, "I Love These Dears," and "Take Thou This Rose," Miss Chapman accompanying. Mr. Patrick sang "Naming the Baby" and "Little Feller with his Mammy's eyes" accompanied by Mrs. Kennedy. Solos by Blaine Chapman, Song Cycle by Vangham William, 1. The Vagabond, 2. Bright is the King, 3. The Roadside Fire, with Miss Chapman accompanying, and a piano solo by Miss Chapman.

President Cliff Way presided during the early part of the meeting, until after the election of the newly

BONSPIEL LUNCH EARNS \$251.47

The Luncheon operated at the curling rink during the recent bonspiel by the Ladies Curling Club brought in the gratifying sum of \$251.47, it was reported recently, after all the accounts were taken care of.

The refreshments were served at all hours of the day and night to curlers and onlookers who needed sustenance, and was operated by various members of the Ladies Club, assisted by many friends from about the town. Such a fine profit is in part due to the grand assistance rendered by these women, and also to the many donations of pies etc. The Club is very appreciative of the support given them.

The profit was split with the Men's Curling Club, since it was their 'spiel, and the carrying on of the club is their responsibility.

MEMORIAL ARENA IN TOWN PROPOSED

A meeting has been arranged by citizens interested in a covered arena for Monday, March 10 at 8 p.m. in the Memorial Hall. Plans and rough estimates will be presented to the meeting.

The present proposal is for a covered arena to house a skating rink, and four sheets of ice for curling. Additional structures have been suggested, and may easily work in with the plan for an arena.

Anyone specially interested in skating, hockey, or curling, should attend the meeting, as should the citizenry generally. This item may prove to be of tremendous importance, and should receive every consideration.

FATHER, SON SUPPER

Wednesday last in the Memorial Hall Scouts and Cubs of the Strathmore Group gathered together with their fathers for a supper to mark the Canada-wide observance of Scout-Guide week.

An excellent supper was prepared under the capable direction of Mrs. J. Gannon, and served by members of the C.G.L.T. and quickly dispatched by the many boys present.

R. J. Milligan, chairman of the group committee, acted as toastmaster for the evening, and set a light mood for the evening with his bright and humorous remarks.

S. H. Crowther proposed a toast to the King, following a short session of singing led by Mr. Andy Scott, Rev. A. A. Hamilton proposed a toast to Scouting, with many interesting slides and anecdotes. Scoutmaster Chuck Maclean replied.

Both Scout and Cub groups put on a short display, the Scouts enacting a

NEED MORE WATER

Tested for twenty hours on Tuesday, the well drilled by the Town produced thirty gallons of water per minute over the period, it was reported by the drillers. This is from a depth of 205 feet, and includes water flowing from two or three other levels in addition.

This amount of water is not sufficient for the Town's needs, in the opinion of the Council, when taking into consideration the possible growth of the Town and the fact that some leeway should be allowed for gradual depreciation of the well and of the flow. The drillers have therefore been ordered to drill to 350 feet if necessary and test at this level. It was pointed out that the wells at the Irrigation Headquarters and at the Supply Farm are some thirty feet lower, including the difference in land levels, and the heavy flow may be deeper than the Town has drilled.

At present the crew is casing the well with 8 1/2 inch casing, in order to cut off the flow from the various levels on the way down, and will thus ensure an accurate testing of the water obtained at the lower level.

Water rose in the well at first to within seventy feet of the surface, but dropped down somewhat after twenty hours of pumping.

CHEADLE NEWS

— By B. W. —

Mr. and Mrs. J. MacDonald spent a few days with their son and daughter-in-law in Drumheller.

We are very sorry to hear that Gary Macdonald and Edna Rindson have the measles.

Mr. and Mrs. F. Studden have their daughter, Mrs. Branden and baby son, visiting them.

In spite of the cold weather and a blocked road, a large crowd attended the dance in the Cheadle Hall on February 28. Mr. and Mrs. W. Hudson and Mr. and Mrs. E. Jackson were hosts and hostesses.

Mr. and Mrs. C. Barber went to Vancouver by plane and motored home with Mr. and Mrs. R. Jackson. All reporting a very enjoyable holiday.

Friends and neighbors gathered at the home of Mr. and Mrs. J. Paris to Charlie them on March 4. Mr. T. Kildes on behalf of the Cheadle Community Club presented them with a lovely lamp, after which lunch was served.

TOWN COUNCIL

A long agenda faced the new council on Tuesday night at their first meeting of the year. The mayor and four councillors were present.

A deputation was received with a complaint over a public nuisance and the Council mentioned some of the previous action of the Town in this connection, and then promised that definite action would follow their complaint.

A request was also received that the town tractor clear a path into the park as far as possible, and also on the north side of the tracks, down to the foot bridge for use of the residents on that side.

M. B. Garret was appointed assessor for the ensuing year. L. M. Katterhagen was appointed auditor.

It was agreed that a penalty of six per cent be added to all taxes in arrears at the end of March.

An application for one garden lot was received and was accepted.

The tree cutting situation in town was reviewed, and it was felt that the trees should all be cut within a few days if the weather will hold up. The cold snap has to blame for the temporary hold-up. It was reported.

Leave of absence was granted to two councillors, George Giffin and Arthur Chase, for three months, if their business required this time.

The mayor reported that he had endeavored to secure chains for the town tractor at seven places in Calgary, and had been completely unsuccessful. He and Councillor Palardy were appointed a committee to see what success might be had in building a set.

It was reported that the new fire siren had arrived, and had been given a minor try-out on Tuesday afternoon. Suggestions were offered as to the best site, and it has been left in the hands of Mr. Fire and Light committee to undertake to secure the best location.

It was reported that a new rope is being fixed to the present fire bell following its breakage when it was pulled last week. The old rope has served for about twenty years.

Accounts to the amount of \$300 were passed.

SPECIAL SERVICES IN STANDARD CHURCH

MILBAK-FONGER

A quiet wedding of much interest to Strathmore and Standard was solemnized Monday March 3, at 3 p.m. in the Standard Lutheran Church when Jean Albert Milbak, only son of Mr. and Mrs. Milbak of Standard, was united in marriage to Miss Phyllis Jeanette Fonger, daughter of Mr. Jas. Fonger of Strathmore. Rev. Theo M. Hansen officiating.

The bride chose for the occasion a smart gray gossamer suit, smart hat with crown of pink roses, black accessories, and a corsage of pink rose buds. Her only ornament was a string of pearls, a gift of the groom.

Miss Mary Fonger, her sister's bridesmaid, wore a very becoming turquoise wool dress, small matching hat, black accessories, and a corsage of red roses.

Mr. Joe Foss of Standard was best man.

After the ceremony a wedding supper was served at the Commodore Cafe. The young couple left Tuesday for a short honeymoon at Banff, and on their return will reside on the groom's farm at Standard. For travelling the bride wore a blue coat over her suit and a black velvet hat.

The bride is a popular member of Strathmore's Young People and during her residence in town has made many friends all of whom will wish her and her husband many years of happiness and prosperity. Phyllis has been Linotype operator in The Strathmore Standard for about two years. The Standard joins in very best wishes with the above for all happiness.

WINNING RINKS IN STRATHMORE BONSPIEL

The Annual Curling Bonspiel got under way again at Strathmore on February 18, after having been delayed for nearly a week owing to Chinook weather. Finals in all events were played on Thursday night February 20. Prize winners were as follows:

Distributors Event: First Wheat Pool, Fishing rods donated by Baldwin & Rhodes. Second, Beagle, Flour Rugs donated by Strathmore Hotel. Third, Block, Hair brushes donated by Thurston Drug. Fourth, McNeil, Utility Dishes donated by Crown Lumber.

Strathmore Hardware Event: First, Grice, Pyrex Sets donated by Strathmore Hardware. Second, Magg's, Cocktail shakers donated by Strathmore Hardware. Third: Wheat Pool, Spar Enamel by Strathmore Hardware. Fourth, D. McDonald, Motor Oil by Strathmore Hardware.

Consolation: First, C. Mackie, Blankets donated by King Edward Hotel. Second, Bob Brown, Oil Containers by Strathmore Motors. Third, L. Mackie, Towels by Ontario Laundry. Fourth, Cam Brown, Bowls by Western Dept. Store.

The weather was ideal for the conclusion of the bonspiel and with good ice the competition was keen with 44 rinks taking part.

The mens regular square draw is being continued this week and with favorable weather it will take until March 16, to complete it.

The Strathmore Curling Club wish to thank all those local merchants and business men who donated prizes for the bonspiel. The prizes this year were more attractive than usual and added greatly to the success of the event.

LADIES BONSPIEL

Strathmore Lady Curlers were hosts to four teams from Gleichen Monday, the visiting skips being Mesdames McLean, Wilson, Holt and Brown.

Strathmore entertained the visitors royally serving refreshments throughout the day topped off with a good hot dinner at Hansens at 6 p.m.

The Gleichen Curlers put on a keen contest winning the score over Strathmore, Mrs. Hols team winning by a toss, her team having tied with Mrs. Wilsons.

Three cheers were given the Strathmore Curlers for their generous hospitality and good sportsmanship. Local skips included Mrs. T. S. Hughes, Mrs. Norton, Mrs. Watten, and Mrs. H. Smith. Hughes 16, McLean 15, Morton 16, Brown 15, Watten 14, Wilson 20, Schmidt 14, and Holt 20.

Under The Street Lamp

by PAT O'HOOLEY

"I think you ought to stop taking sleeping pills every night," said Doctor John to Ben Fessenden. "They're habit forming."

"Habit forming!" repeated Ben. "Don't be absurd! I've been taking them for twenty years."

John Davis filed a form with the ration board recently, and very shortly received a letter back demanding to know why he had shown so many coupons for meat.

John's reply was brief and typical: "It was necessary for me to kill the whole beef at one time."

Excerpt from an essay turned in by Herb Abel: "At last, Alfred had beaten all the dames, so there was peace in the land, and they called him Alfred the Great."

"These eggs are very small," complained Florence Slater to George Anderson.

"Straight from the farm this morning," assured George.

"That's the trouble with the farmers," she persisted, "They're so anxious to get their eggs sold that they take them out of the nest too soon."

Bruce McKenzie: "Since I got a girl I can't eat, I can't drink, I can't smoke."

Ollen Bower: "Why not?"

Bruce: "I'm broke."

Miss Skejle (chatting with Mrs. Bremner): "These radio programs are ruining this school. These days, every time a pupil answers a question, they think they should be paid for it."

Cpl. Mott sagely stated 't'other day in a loose wheel as there is in a tight that there isn't as much real danger driver.

FOOD IN THE OPEN

In many parts of the world no great attention is paid to keeping food clean and sanitary. It is often sold in open-air markets like the bazaar in a Turkish town pictured in Fig. 1, wide open to insects, dust, and the heading of all sorts of customers. Fig. 2 is another Eastern scene, showing flat loaves for sale in the street. Severe food shortages still exist in many lands. Canada's export of grain, through its huge terminal elevators (Fig. 3), helps to relieve hunger throughout the world.

CARSELAND NOTES

Mr. H. Neergaard of Kimberly B.C. is spending his sick leave home with his parents Mr. and Mrs. Neergaard of Carceland.

Mr. Robert Lennox spent last weekend in Cardston and Montana and reports a very heavy snowfall south of the line.

Miss Dawn Cote is recuperating at Mr. and Mrs. D. Cote's in Calgary, after a recent appendix operation.

Sto. George Trent, the R.C.M.C. had the misfortune of breaking his leg just above the ankle while serving at Esquimalt B.C. George had the pleasure of serving on H.M.C.S. Warrior on its recent goodwill cruise to Mexico and through the Panama Canal. We wish you the best for a speedy recovery George.

The Ballard Brothers of Carceland and Mossleigh are sporting a new Kaiser car, which they believe is the first to put in an appearance in the district.

Miss Dolly Field is recovering after a recent appendix operation.

Little Kathleen Lennox has been visiting with her grandparents, Mr. and Mrs. White of Medicine Hat. Mrs. Larson is back on the job after her recent attack of the flu, this should please the latter member, who was on the job during her illness.

Complimenting Miss Leona Field on her fine marriage to Marwood Jones of Mito. Mrs. Gillespie and Barbara were hostesses at a lovely shower on Saturday night. The future bride was presented with many beautiful gifts from the large crowd in attendance.

The table was centred with a pink and white angel food cake with tall tapers and carnations. The presentation was delivered by Mrs. Cole. Following an excellent reply by Leona, a delicious lunch was served.

We are certainly getting our share of snow lately and if you need any shovelling done, Helen and Frances are experts at the job.

The annual meeting of the Carceland Red Cross society will be held in the school at 8 p.m. Tuesday March 11. A good attendance is hoped for as this is an important meeting to decide the future of this organization in our district.

The Women's Organization (Ladies Aid) of the Carceland United Church will hold a St. Patrick's supper in the Hall on Saturday March 15.

The Carceland seniors journeyed to Standard last Thursday. The score Standard 4, Carceland 2.

Carceland played in Vulcan last Saturday night and brought home the honors, with a score of 25.

Miss Irene Trent will leave for San Francisco from where she will sail for New Zealand on March 20, to be married to Mr. William Hansen of Christchurch, of New Zealand. Mrs. Trent and Irene's very best friend, Miss Gerry Munay, of Arrowood will accompany Irene as far as the west coast.

Irene and Alfred Trent and an Australian friend, Jack Peru were weekend guests of Mr. and Mrs. Trent.

Mrs. Trent went to Calgary last weekend to visit her nephew, Tpr. Felix Marcy, who has recently returned from five years of overseas service.

Alice Easton has been home for a week from Calgary as her mother, Mrs. Trent has been under the weather with sinus.

We all wish Miss Dawn Cote a speedy recovery from her recent appendicitis operation.

We all wish our new store manager (Harold Christensen) luck and success in his new business.

CALGARY STARTS SAFETY CAMPAIGN

Opening on Wednesday March 5, the Calgary Safety Council has initiated another campaign to make fit all vehicles driving in the city, or to rule them off the roads.

Cars which can pass the safety requirements, will be sold without stickers at 25 cents each, and as the campaign progresses, cars not displaying the stickers will be checked by city police, and given the option either of having their cars tested at police headquarters or at a private garage.

The drive is an annual affair in Calgary aimed at preventing unfit vehicles from using the streets, particularly timed against the spring season when so many vehicles start coming out of winter parking. It is emphasized that all vehicles, including those of visitors to the city, are included in the drive.

Prime Minister Atlee And India

The triumph of that new spirit, in Prime Minister Atlee's announcement that the British were determined to withdraw from India whether or not a new constitution could be agreed upon by the Indians, is a truly momentous event. It marks a breach with the older world that is more striking than anything that has occurred since World War I revolutionized Europe. A new nation, whose potentialities can only be guessed at, is rising in Asia—in a plastic Asia that may yet, in sure hands, be shaped into a mould for the future of the world.

Prime Minister Atlee's statement marked a victory for those who, like Gandhi and Nehru, represent the new spirit in India. But it was not a British defeat. The Labor government has done more than abide by the letter of British pledges to the Indian people. It has done more than how to the inevitable. It has taken positive and

courageous leadership in stimulating the Indian leaders to face the responsibilities which their victory entails.

The British might easily have lingered on in India, playing off Hindu against Moslem, prince against peasant, presiding over a tense and costly stalemate in the interests of imperial prestige. By refusing this role—despite the temptations which it must have offered to a government under a great pressure from within and without the country—Mr. Atlee and his colleagues have been statesmenlike. And the British people, discarding the trappings of imperialism—which would have seemed shabby in the cold, cruel light of this post-war dawn—have taken on a new dignity and a new moral strength, which multiplies the respect they have won by courage in war and patience under the conditions of peace.

DIRT . . . CHEAP

Is Your Dirt Cheap?

Is any dirt cheap that doesn't stay put? Whether it costs seven dollars or seventy per acre, a farmer would think it expensive if the original agreement included a chunk every year for the first owner; if every year his acre became smaller.

But that is precisely what happens to many acres in this country every year—the farmer hands part of it away free. And though he may raise his voice occasionally, he often times does nothing about it.

And yet the same farmers would howl mightily if they had to give a couple of hundred bushels of grain away every time a wind blew up. Or every time the snow melted, and ran off the fields in torrents and gushing streams.

We talked with a farmer a short while ago who eventually decided to take a chance on trying to control his dirt blowing away, and consequently tried strip farming in fairly small strips, and also cut and left a stubble a foot high. Following a fairly heavy wind, he was out in his fields looking at conditions, and could see that the road, was surprised to see that there was only six inches of stubble left out of the foot.

What had happened? It didn't take him long to find that the stubble had not only held his own dirt, but also collected six inches of good topsoil from his neighbor's farm across the road. He's permanently convinced.

But we wonder what his neighbor thinks about? Or what he would say could he but see his greatest investment reposing across the highway. Or if he has any plan to recoup his loss, when it takes hundreds of years to build an inch of topsoil.

We've interested some time ago to find that one area of China, the only way for them to build an inch of topsoil. We were interested some time ago to find that one area of China, the only way for them to build an inch of topsoil. We were interested some time ago to find that one area of China, the only way for them to build an inch of topsoil.

We would all be amazed at an industrialist who watched workers walk off with tools, and with sections of machinery, who did nothing. He would be losing his means of production.

Yet many farmers seem not particularly upset when they watch their soil being blown away. They are losing their means of production. They are losing their means of production.

Canada's Needs

"I find a great deal of criticism here and elsewhere regarding the problems of the West just as the West does not see eye to eye with the East (Ontario and Quebec), and I realize that neither London nor producers of

the other. It's almost a tragedy that this is so true and that there seems no way to rid the world of it. It comes in a letter from a highly respected farm woman of Saskatchewan while she is on a winter holiday with friends in Ontario. It outlines the growing awareness, in all parts of Canada, of a problem which is the concern of all who believe that Canada and Canadian culture and way of life are worth while in a troubled world. Perhaps the understanding she calls for is Canada's greatest internal need today.

But Canada has external needs too. In a letter from a Canadian woman of impressive administrative capacity working in the United Nations Secretariat we find this: "I wish I were a linguist. This is my only lack, I think; but so far I have managed since nearly all the other races speak English. However in committees they speak their own language and so much time is wasted by interpreters."

From Canadian delegates to United Nations and from Canadians recently returned from travel in Europe and Asia we learn that knowledge of the English and French language is essential to one who would fill an influential place in the councils of the world.

These are the two official languages of Canada and a general knowledge of both would put Canadians in an advance position in the search for world trade, world peace and prosperity. This is a challenge to our schools.

Topping the Trees

We commend the Town Council on their practical and timely action in topping so many of the trees on the streets of the town, which later on are the source of such dangerous and destructive nuisance in the shedding of fluff.

We would suggest that owners or tenants on lots where the trees are still standing might take heed and follow the example set by the Town Council.

There are those who deplore the "be heading" of the trees and would prefer leaving them as they are. This is a short-sighted outlook for in a couple of years the branches still remaining would produce fuller growth, and give the shade where it is needed.

The dangers of fires from fluff and the destruction to gardens will be a thing of the past, if all will fall in line. This action was started by the late Mr. Griffin some eight years ago. Each year further action has been taken. Let us make it a 100 per cent result this year and free Strathmore from this very annoying and unnecessary nuisance.

LETTERS TO THE EDITOR

"FOOTPRINTS" TO PRESS

Encouraged by the success of last year's year book "Footprints," the students of Bow Valley Central High School are striving with combined effort, to put forth this year, a book even more worthy of praise than the last. On launching upon such a project, the assurance of full co-operation on the part of both students and staff is required. This alone, however, is only a part of the mechanism that enables the production of a successful year book. Every word printed spells "money" and for funds we are forced to rely mainly upon the public.

Some people may be of the opinion that both time and money are foolishly spent in putting out a yearbook, but such is not the case. Students, staff and public are brought together and workmanship, co-operation and sportsmanship are instilled. Such a project also gives students the opportunity to exercise their talents and possibly discover new ones. It is the purpose of a high school education to help a student choose his vocation and lay a basis for his future life work. The production of a year book is just one more lesson in co-operation and originality.

With this endeavour now in progress, any assistance from the public in the form of advertisements or contributions would be greatly appreciated by the staff and students of B.V.C.

JUNIOR POTATO CLUB

It is time that the reorganization meeting for the Junior Potato Club took place. All the juniors between the ages of 12 and 20 who are interested, should make application at the district Agriculturist office as early as possible.

Our club did exceptionally well in all aspects of our activities during our first year. Several of our older members will be dropping out because of age. We need replacements. How about you?

A Message to CITY AND TOWN EXECUTIVES

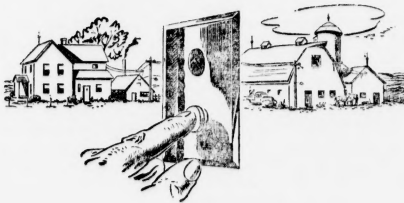

Larger cities and towns are discovering that parking is developing into a serious problem. In many places, parking on main streets and highways obstructs traffic, discourages shopping, and increases the hazard to both motorists and pedestrians.

Our study of this problem indicates that the solution lies in providing OFF-STREET PARKING accommodation — convenient for citizens and attractive to visitors.

We respectfully suggest that municipal councils and other public bodies give consideration to solving this problem in the interests of their communities. The A.M.A. will be glad to furnish all information it has available on this subject.

ELECTRIFY your Farm with a FARM IMPROVEMENT LOAN

What you can do with a FARM IMPROVEMENT LOAN

You can buy implements and equipment; buy, install, extend or improve a farm electric system; build, repair, extend or improve farm homes and other buildings; construct fences, drainage systems, shelter belts and make other improvements to farm property. For full particulars ask at any branch for our booklet, "FARM IMPROVEMENT LOANS".

THE ROYAL BANK OF CANADA
L. F. MAGGS, Local Manager, STRATHMORE

Electricity can take the drudgery out of many a farm chore—save you time and money—help make life pleasanter and easier for everyone in the family.

Plan now to electrify your farm with a Farm Improvement Loan. At any branch of The Royal Bank of Canada, loans are available to farmers for the purchase, installation or improvement of farm electric systems. These loans can now be made on security of the equipment itself and repayment arranged by convenient instalments. If electrical equipment is still hard to get in your district, you can make a start by doing your preliminary wiring. Wire, switch boxes, transformers, etc. are available in many districts. By starting now you will be ready to put electricity to work on your farm as equipment comes on the market. Talk your plans over with the Manager of our nearest branch.

MUCH INTEREST IN RECIPE CONTEST

Inquiries about the \$1,000.00 recipe contest are flooding the Alberta Travel Bureau in the Legislative Buildings at Edmonton. Entry forms which contain all the answers may be obtained from the local Treasury Branch or from any district agriculturist.

They may also be obtained by writing any radio station but time is an element in the contest and usually, time taken in handling the heavy mail, may be saved by getting the forms from the Treasury Branch or the D. A. in person. Time is important because, in case of ties, the first recipe received gets the preference.

Entries must be postmarked before mid-night April 30, 1947, and mailed to Alberta Travel Bureau, Legislative Building, Edmonton, — not to the Treasury Branch or District Agriculturist.

The prizes are: First, gold medal and \$500; Second, silver medal and \$300; Third, bronze medal and \$100; twelve consolation prizes of \$10 and ribbon.

BEWARE

5c NOW means \$5 LATER!

NOW is the time to protect your cattle. Warble-Flies reduce milk production, meat quality, and hide and leather quality. Treatment is easy and effective. It costs about 5c per head and saves \$5.00 per head.

To be effective, treatment must be given during March, April and May. Make sure your cattle are protected. It pays later on—in cash!

Always remembered by Dad, Mom, sisters and brothers.

AGRIC. SERVICE BOARD NOTES

R. J. M.

At our last Agricultural Service Board meeting, it was decided to treat our cattle for Warble-Fly again this year and the Municipal sprayer is to be used. Mr. Frank Wilson, Field Supervisor, is in charge of spraying operations. The Board has decided to charge 10 cents per head for the initial spraying; this 10 cents to include a second spraying at approximately 20 days later. The Board has ordered the supplies of chemical and these are now in store at Strathmore. It was hoped that we could start spray at about March 10. This will depend on the weather and also on the development of the Warbles.

During this Board meeting, it was proposed to follow a similar plan as practiced last year, that is, have a key man in each township to organize his district in the most efficient manner, to reduce mileage, and to have the cattle collected and corralled to avoid delays. A word of warning would not be amiss. With one spraying machine operated by the board, and the Municipal being very large, the closest co-operation is required. In order to affect a greater degree of co-operation, we are listing the names of the operators who effectively outlined our work last year. We expect every farmer with livestock, to personally contact the key man in his township and endeavor to have his cattle corralled or moved to a neighbors corral so that the shortest route in each township may be maintained. Our results last year were so effective that approximately 87% of all cattle in the Municipality were treated. Let's make it 100% this year. The Board felt that after 3 years operation, we could advertise our cattle as being Warble free when sold and expect to receive a higher price for our hides.

The farmer with just a few cattle could probably do his cattle by hand at home. A solution of Derris-stout powder or any chemical with a rot one base can be rubbed into the open Warble bumps and effect a good control.

The names of the key men in each township are listed herein. Contact your man for further details. Each of these men have been circularized. They are expecting your support. See that your neighbor treats his cattle, thus preventing your cattle from becoming contaminated.

STANDARD NEWS

By Mrs. R. G.

One of our very popular young ladies, a bride-elect of this month, Miss Thel Westergaard, was the guest of honor at a very lovely shower held on Saturday March 1, in the K. P. Hall. The mistress of ceremonies for the occasion was Mrs. Tommy Fraser, and Mrs. P. D. Knowlton proposed the toast to the bride. After a short but enjoyable program a delicious lunch was served by the ladies of the Committee. The beautiful gifts were then unwrapped and passed around. Then in her gracious manner thanked her many friends for a memorable afternoon and invited them to visit her at her new home in Brooks.

Mr. and Mrs. Ted Sparks and family spent last weekend in town visiting relatives.

Mr. and Mrs. Andy Westergaard were in town for the weekend.

Mr. and Mrs. D. Reid visited the latter's parents Mr. and Mrs. Carl Sorensen last weekend.

Mr. Wm. Drydale is home again after a visit to the United States.

Mr. and Mrs. Fred Dankwerth are holidaying at Trail B.C. at the home of the latter's brother, Mr. Harry Madson.

Mr. Magnus Christensen is back home from Rochester looking very fit.

Mrs. Andrew Laursen is progressing favorably in the Holy Cross Hospital, after an appendectomy last weekend.

A clothing drive is being sponsored by the many organizations in Standard. The drive will end March 22 on which day the K. P. Hall will be open to accept any parcels of clothing. Coffee will be served. The clothing

will be sent to European countries. Mr. and Mrs. Johnny Petersen and family are leaving shortly to make their home in Strathmore, where they will be running the Cold Storage Plant. Mr. Alex Christensen has taken over the butcher shop and lockers here.

The Young Peoples Society were invited to the home of Mr. and Mrs. S. Bording last Sunday afternoon where they had a very enjoyable time.

On February 27, Mr. Envaldsen celebrated his eighty-second birthday.

Miss Gwen Knowlton and Miss Adel Bording have the measles.

Mr. Joan Kroon is the new agent for the Parish and Heimbecker Ltd. Elevator here.

NAMAKA NOTES

—By Mrs. E. B.—

Miss Katherine MacBean of New Dayton returned home on Tuesday after a week's visit with Mr. and Mrs. H. E. Johnson.

Miss Lydia Little of the Kathryn Dorn was home over the weekend.

A number of friends were at the Air-port in Calgary on Monday to welcome home Mr. H. Nesell from his trip to Ontario. He reports a very enjoyable three weeks spent with relatives and friends.

Mr. and Mrs. J. Fowler of Michichi spent several days with Mr. and Mrs. J. Kerback.

Mr. and Mrs. C. Mackie and family and Mr. and Mrs. H. Schumann and Lorna were Sunday dinner guests of Mr. and Mrs. H. E. Johnson.

LANGDON

—By G. E. W.—

Miss Daisy Egbert spent the last week in Langdon and district visiting friends, leaving on Tuesday for her home in Golden, B.C.

The last report on Mr. Roy Wilson's condition is that he is progressing satisfactorily after his recent serious operation. Keep up the good work, Roy—that's the wish from all our friends.

Mrs. Ed Snider, who has been a patient in the Holy Cross Hospital, is now staying with friends in Calgary for a short time getting a little stronger each day, before she comes home to our friends.

Mrs. G. Crilly is home after her recent operation and feeling not too badly, considering; hope she continues to get stronger each day. Hurry up and get well!

Mr. Dick Bittle held his Young People's party in the W.I. Hall on Friday evening. A good time was had as usual. Lunch was served and enjoyed by all.

Little Lorna Robinson has been quite miserable with a bad cold. We hope he is better by now.

Mr. and Mrs. Chester Stevens have the latter's father visiting with them for a short time.

Some of the ladies of Langdon and district were hostesses to a number of Rebecca's who motored out from Calgary on Wednesday afternoon, to form a Rebecca lodge in Langdon.

The afternoon a business meeting was held. Supper was served in the evening after which initiation took place.

Some of the officers will be in next week's issue.

In Lonely Outposts

Your RED CROSS help is needed!

In frontier districts of Canada the nearest hospital or doctor may be a hundred miles or more away. Over twenty years ago the Red Cross began establishing outpost hospitals and nursing stations in these remote regions. Today a whole chain of Outpost Hospitals can be found in the frontier districts of the Dominion. They bring medical science within reach of these isolated communities. Hundreds of thousands of patients

MR. G. H. PATRICK, Strathmore,

have been treated in these tiny hospitals, including thousands of confinement cases. These hospitals also serve as health centres for their communities, carrying on medical inspection in the schools and organizing clinics for the children. Your help is needed to maintain and expand this vital work. Stand behind the Red Cross, and help bring medical aid to your fellow-Canadians pioneering on Canada's frontiers. Give NOW... give generously.

Strathmore,

Local News Items

The home of Mrs. Ian MacKenzie was the rendezvous for the second in the series of Bridge parties for this year given by the staff of the Strathmore School last Thursday evening. Miss Gordon assisting Mrs. MacKenzie. Three tables were arranged, a few other friends being included. Interesting games interspersed with bright conversation sped the hours quickly by. Prize winners were Mrs. Polly and Mrs. O. Wright.

Places were laid for fourteen, at an attractively arranged table, which was centred with a Birthday Cake adorned with the customary candles, in an intriguing number.

After all had fully partaken of the choice refreshments, Mr. MacKenzie in a quiet, humorous vein, expressed the thought that Mr. Crowther, needed entertainment to while away his many leisure hours and presented him with six records of choice music coupled with sincere wishes for many more birthdays. For he is a Jolly Good Fellow, was sung, after which, Mr. Crowther expressed his warm appreciation, for all, and the guests went their several ways homeward.

Mrs. Alice Croilin returned from Coleman Monday of last week bringing her sister, Mrs. Dora Gray, with her, who will remain for some time.

Mr. T. S. Hughes returned Friday after a very enjoyable trip to Cincinnati, Ohio, from which point he piloted a plane to Calgary. On his return trip T. S. visited friends at Rockford Ill., also stopping off at Rochester, Minnesota to see Mr. Wm. Rhodes, who had come down for a check up at the Mayo Hospital. Mr. Hughes had a most interesting trip, his only delay being at Lethbridge where wind and snow necessitated waiting over a few hours. The plane was welcomed by many Strathmoreites as it circled over the town about noon Friday last.

Mr. Hugh Berry will leave Strathmore on Saturday, and move to Cardston, where he has been transferred. Hugh has been promoted to Assistant Accountant there.

Morris West was dealt a perfect hand at crib the other night at a game at M. A. Bollinger's home. Morris was playing with J. Harwood against Edmund Verweire and Jim Barnett. In spite of the 29 score, the story goes, he went on to lose the game... by one point.

short play, and the Cubs showing their circle and going through the promise for the group. Both displays were exceedingly well done, and much appreciated.

Major Eric Ings of Calgary gave an address on Scouting, especially pointed in sections to the Cubs and to the Scouts. To the Cubs he made mention of the Banderlog of Kipling's Jungle Book, the monkeys of the jungle, with no aim in life, with nothing to accomplish, and with no purpose, and exhorted them not to follow the lead of this ever-chattering, ever-useless section of life, pointing out that the Banderlog are not confined to the jungle, but that we also have our Banderlog in the human species.

To the Scouts, he stressed the need of their developing in themselves a sense of discipline, that self-discipline which is so necessary when they be-

GEORGE ANDERSON HEADS CREDIT UNION

The annual meeting of the Strathmore Credit Union was held in the Town Hall last Thursday evening, and business for the year was reviewed. The reports of the Treasurer and of the President both showed a marked increase in the activities of the Union, as well as a considerable increase in its membership. Paid shares had increased by fifty per cent over the year it was shown.

The report of the Supervisory Committee was read by Father Gibbons, and included warm commendation for

the books and the efforts of the treasurer, Leonard Hill.

Based on the earnings of the year, a dividend of 2½ per cent was declared.

Election of officers followed, and the slate is as follows: president, George Anderson re-elected; vice pres. treasurer, Leonard Hill; new members elected to the Board of directors for a three year term, Rev. A. A. Hamilton; to the Credit Committee, Joe Robinson; Education and Membership Committee, J. A. Tench, Rev. D. A. Ford, L. Ostergaard, C. A. MacLean, J. Van Neuen.

come adult. He pointed out that being a Scout means work, in addition to fun and that the mere wearing of a uniform and attendance at meetings can not in itself make a "Scout" of a boy. There was a great deal of self-training and personal work that went with it, Major Ings declared.

Following a very witty toast to the fathers, by Herb Abell, giving the credit due the fathers, Dr. Giffen, on

behalf of the fathers present, thanked the boys for the opportunity to share the evening with them, and spoke warmly on the benefits which might accrue to them from Scouting and Cubbing.

Thanks to the ladies for their contribution to the success of the evening was voiced by Rev. D. A. Ford, and accepted on their behalf by Mrs. Gannon.
